New Delhi, the 21st June 1949

No. 3-Hons.—The King has been graciously pleased, on the advice of His Majesty's Indian Ministers, to award the King's Police and Fire Services Medal for gallantry to the undermentioned officers of the Bombay Police —

Name of the officer and rank—NARAYAN VENKU, Armed Head Constable IV Grade, District Dharwar.

Statement of services for which the decoration has been awarded.—This Head Constable and nine other Armed Policemen were posted for patrol duty at Halkeri, a village in Ron Taluka of the Dharwar District for patrol duty along with two Head Constables and seven other Armed Constables. On the morning of the 2nd March 1948 news was brought that the villagers of Karmadi had assembled in the limits of the village of Halkeri to damage the crops. About 100 Halkeri villagers, armed with sticks, proceeded therefore towards the fields. Head Constable Rama Parsappa fearing a breach of the peace, followed the Halkeri villagers with his armed party. Karmadi villagers, thereupon, retreated to a tank, on the border of Halkeri. Just then a man was seen setting fire to a hay-stack at a distance of about three furlongs from Halkeri. On seeing this the Halkeri villagers sent two of their party to catch him. On approaching the burning stack these two men saw some men armed with lethal weapons taking cover in a Nalla close by Halkeri. Later, this body of armed men left the Nalla and advanced in extended order. The Police Party retreated to the South and the Head Constables in charge warned the armed men not to open fire. In response, however, the party were fired on whereupon Head Constable Rama Parsappa ordered his men to retaliate in self-defence. This Constable continued to fire in self-defence and remained cool and undaunted despite casualties all around him. When the rifle of a Head Constable was put out of action by a direct hit on the stock, this Constable despite heavy fire, crept out from cover and retrieved a rifle from one of the police casualties, which he handed over to the Head Constable. While doing this, he was hit in the thigh. Nevertheless when ammunition was running short, this Constable again left cover and collected the remaining ammunition from the pouches of nearby casualties. Whilst thus engaged, he received a second wound, this time in the abdomen. Despite his wounds, he remained with his Head Constable for over an hour and continued to face the armed men until he retired with the only surviving Head Constable when it became clear that the position was no longer tenable.

Name of the officer and rank.—KALKAPPA DHARMAPPA, Armed Constable, District Dharwar.

Statement of services for which the decoration has been awarded.—This Constable was posted at Halkeri in Ron Taluka of the Dharwar District for patrol duty along with two Head Constables and seven other Armed Constables. On the morning of the 2nd March 1948, he was a member of an armed party of two Head Constables and six other Constables which proceeded to the scene of an incident between the villagers of Halkeri and those of Karmadi. While the people of both villages were in their respective limits a hay-stack situated near Halkeri was set on fire. A couple of Halkeri villagers who went after the miscreants, saw a body of armed men hiding in a Nalla close by Halkeri. On being spotted, the armed men advanced in extended order towards the Police. The Police retreated to the South and the Head Constables in charge warned the armed men not to open fire. In response, however, the party were fired on whereupon Head Constable Rama Parsappa ordered his men to retaliate in self-defence. This Constable continued to fire in self-defence and remained cool and undaunted despite casualties all around him. When the rifle of a Head Constable was put out of action by a direct hit on the stock, this Constable despite heavy fire, crept out from cover and retrieved a rifle from one of the police casualties, which he handed over to the Head Constable. While doing this, he was hit in the thigh. Nevertheless when ammunition was running short, this Constable again left cover and collected the remaining ammunition from the pouches of nearby casualties. Whilst thus engaged, he received a second wound, this time in the abdomen. Despite his wounds, he remained with his Head Constable for over an hour and continued to face the armed men until he retired with the only surviving Head Constable when it became clear that the position was no longer tenable.

This Constable displayed great courage and devotion to duty at the risk of his life and remained calm under heavy fire in the face of overwhelming odds.

Name of the Officer and Rank.—VEERABHADRAPPA PUNDAPPA, Armed Constable, District Dharwar.

Statement of services for which the decoration has been awarded.—This Constable was posted at Halkeri in Ron Taluka of the Dharwar District for patrol duty along with two Head Constables and seven other Armed Constables. villagers made an attempt to get hold of the miscreants when they saw a body of armed men lurking in a Nalla close by. On being discovered, these men started advancing towards the Police in extended order. The police party began to retreat to the South, and the Head Constables in charge of the Police force warned the armed men not to open fire. The only response was a volley at the Police party. Head Constable Rama Paisappa then ordered his men to retaliate in self-defence. A skirmish followed during which this Constable continued to fire in self-defence until he was wounded in the face. Even then he managed to pass on his rifle to Constable Kalkappa, who, in turn, handed it over to Head Constable Narayan Venku whose rifle had been damaged by a bullet.

This Constable displayed great bravery and devotion to duty under heavy fire in the face of overwhelming odds.

Those awards are made for gallantry under clause 6(a) of the Regulations governing the award of the King's Police and Fire Services Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police.

I have gone through the agreement and my award is in terms of the agreement.

S. P. VARMA,
Chairman,
Central Government Industrial Tribunal, Dhanbad

APPENDIX "A"

MEMORANDUM OF AGREEMENT

The following agreement was arrived at between the Chief Mining Engineer representing Messrs. H. V. Low & Co. Ltd., and the Secretary, H. V. Low & Co. Ltd., Colliery Workers' Union representing the Union in respect of Lakurka Colliery.

In continuation of agreement dated 30th April 1949, the following terms have been mutually settled and accepted by both the parties in respect of Lakurka Colliery.

1. *Re: Monthly Paid Staff.*—In further clarification of Clause No. 5 of agreement dated 30th April 1949, it was further agreed and confirmed that the question of rate and number was left entirely to the management excepting for the following three categories:

- (a) Winding Engine Khalasis,
- (b) Haulage Engine Khalasis, and
- (c) Firemen.

For these categories, it was agreed that the number of persons employed before the strike will be maintained at the same wage.

2. *Re: Lakurka Workshop.*—It was agreed that with retrospective effect from 7th day of May 1949 the entire monthly paid and weekly paid workers will be kept at the time being.

It was further agreed that the management in course of next two months shall prepare a list of surplus workers in the workshop after due consideration of the seniority in service and efficiency of work and such number of workers as may be found surplus would be discharged.

It was mutually agreed that although the workshop workers have already been paid Sunday wages as per rules but still on the request of the Union, the Management has agreed to distribute a lump sum of Rs. 500 (Rupees five hundred) only amongst the monthly paid and weekly paid workers of the workshop.

It was further declared that there will not be any further claim whatsoever against the management in respect of the workers of the workshop.

3. *Re: Lead and Lift.*—It was proved to the satisfaction of the Union that Lead and Lift was paid according to the rules with the exception of following two cases—where due to miscalculation they were paid less. The management agreed to pay them their dues as follows:

- (a) Magoo Sardir's Miners—Rs. 95 (Ninety-five).
- (b) Bishram Sardar's Miners—Rs. 75 (Seventy-five).

4. *Re: Leave Wage and Railway Fare.*—The management maintains that the leave wage and Railway fare is paid according to law. The Union has agreed to furnish a list if any of those who have not been paid in accordance with the rule in course of next fifteen days. It is expressly understood that any case brought to the notice of the management after fifteen days will not be considered.

5. *Re: Enforced idleness of No. 9 Pit Workers.*—The Union was satisfied that No. 9 pit was stopped after giving due notice to the workers. However, on the special request of the Union, the Management has agreed to pay a lump sum of Rs. 500 (Five hundred) only as help to the then workers.

6. The Union was satisfied that the following three persons were not suspended by the Company but they left their work of their own accord. However, at the request of the Union, the Management has agreed to pay the following sums as help to these workers:

- (a) Ram Dhani Toori ... Rs. 50 (Fifty).
- (b) Lalu Toori ... Rs. 60 (Sixty)
- (c) Duku Fitter ... Rs. 40 (Forty).

7. *Re: Wagon Loaders.*—It was mutually agreed that for the benefit of the wagon loaders, wagon loading

contract should be abolished and the Management agrees to abolish the wagon loading system with effect from 30th May 1949 or earlier, if possible. The following rates for wagon loaders were mutually agreed:

- (a) For wagon loaded on EIH siding—Rs 7 (Seven)
- (b) For wagon loaded on BNR siding—Rs 7 8 0
(Seven and half)

8 Re Trammers—The Union is satisfied that due to hazard system of the trammers both the output and the miners of Lakurka Colliery are suffering due to less production. Therefore the Union has agreed to fix up trammers contract for all the pits including No 1 pit which is already in contract with effect from 1st July 1949 at the average maximum rate of annas 0 5 6 (annas five and pice six) per tub for surface trammers and annas 6 6 6 (annas six and pice six) per tub for underground trammers. The management has agreed to postpone the reduction of rate for No 1 Pit trammers with immediate effect as agreed in Clause 3 of the agreement dated 30th April 1949 to 1st July 1949 as hereinbefore mentioned and the management has also agreed to postpone the hazard payments system which was agreed to be converted to contract system *vade* Clause 2 of the said agreement dated 30th April 1949 with effect from 30th May 1949 to 1st July 1949 as aforesaid.

9 As far as other demands of the Union are concerned the Union being satisfied hereby withdraw the same.

10 It is hereby further declared that the Union has no further demand whatsoever in respect of Lakurka Colliery against the Company upto the signing of this agreement.

Dated this 23rd day of May 1949
